Doll Hospital Admission Process

Place your undressed doll and admission form with payment attached, including shipping charges, in a sturdy box. Please do not wrap your doll in newsprint. If sending more than one doll, please complete a separate admission form for each one. Tape the mailing label (above) to your package to send your doll to the hospital via a traceable method.

Important information about your repair:

† Wellness Visit skin-cleaning will remove most surface dirt from your doll's vinyl, but is not likely to remove ink or dye stains. Wellness Visit hair-brushing will improve the appearance of the doll's hair, but will not make a well-played-with doll's hair look brand-new.

- All replacements & attachments include skin cleaning & hair brushing at no additional charge.
- Admission of a complete doll (head and body) is required to purchase a new head or body.
- Altered/unidentifiable dolls may not be accepted.
- Parts replaced through surgery will not be returned.
- We reserve the right to refuse repairs at any time for any reason.
- Shipping and processing fees are non-refundable.
